

Efficiently Manage IBM Cognos MotioPI & MotioPI Pro Product Sheet

"Your MotioPI product saved the day when a user was deleted from our Active Directory without our realizing that there were important queries and reports in his 'My Folders'. I was able to identify the orphaned entries and get them recovered using your tool. Keep up the great work."

**– Elizabeth Mayfield,
DRS Tech**

"Motio has saved our hides again! We just recovered a lost model from the content store. You guys are way toooo awesome!"

**– Ellis Makoha,
Cognos Administrator**

"An amazingly powerful tool; must-have for any serious Cognos Administrator."

**- Richard Mabjish, Senior
Cognos Analytics
Administrator**
