Persona IQ

A Safe and Seamless Transition for Cognos

ABOUT PERSONA IQ

Persona IQ safely gives Cognos teams the ability to smoothly map users from one authentication source to another without re-implementation or loss.

Replace Your NameSpace

Migrate Your NameSpace

Save Time

REPLACE YOUR NAMESPACE

- Virtualize multiple authentication sources into one
- Maintain security IDs within Cognos
- Change sources with no impact to users

MIGRATE YOUR NAMESPACE

- Move between authentication sources quickly and easily
- Evade a tedious security process

SAVE TIME

- Downtime less than 5 minutes
- Reconfigure to new security in under an hour
